### **Mayor's Budget Message For Fiscal Year 2022 – 2023**

#### **Tahlequah City Councilors and Residents of Tahlequah:**

The proposed budget for the 2022-2023 fiscal year represents the collaborative effort of the City's department heads, finance and departmental administrative staff, the City Administrator, City Treasurer and myself. These individuals have worked diligently throughout the current fiscal year to ensure the financial stability of our City. This budget is a testament to their efforts.

As presented, the 2022-2023 budget is balanced and meets the funding requirements of the City's rainy-day reserve. The General Fund budget for 2021-2022 is \$13.2 million, up from the current year budget of \$11.5 million. This growth is the result of steady increases in our sales tax and other revenue streams.

Projecting revenue for the proposed budget was a challenge, as there is much economic uncertainty with high inflation rates and supply chain concerns. We have approached this projection from several directions and feel that revenue as proposed is reasonable and attainable, however not conservative.

Operating budgets within the General Fund reflect the day-to-day expenses of our departments. In an effort to reduce the impact of rampant inflation upon our employees, we are pleased to include a 6% across-the-board raise for most employees. Street Department employee raises are budgeted a 10% increase in an effort to improve their ability to hire and retain workers.

In addition to across-the-board increases, we are proposing to create or re-activate several positions. These include two full-time firefighters to reduce our reliance upon volunteer firemen, a Community Outreach position to provide social work services within the Police Department, and a second full-time animal control officer. The position of Finance Director has been budgeted this fiscal year after being unfilled and unbudgeted the past two years.

With these changes, salary and benefit expenses are now 74.5% of the General Fund budgeted revenue. This is still well below the almost 80% of the 2019-2020 budget. For effective provision of services, a budget near 75% of revenue is considered sustainable. Outside of personnel expenses, significant increases in fuel and operating supply expenses are anticipated.

#### **Capital Improvements:**

The Capital Improvement fund is used to account for the major projects of departments within the General Fund. Cash is budgeted to be transferred into the Capital Improvement fund to cover the projected expenditures. By department, these include:

##### **Fire Department:**

- \$100,000 for updates to Station 1
- \$ 25,000 for fleet management lease of pickups for the Chief and Asst. Chief
- \$ 35,700 for safety equipment

Law Enforcement:

- \$105,000 to update management software
- \$115,000 for fleet management lease of patrol vehicles
- \$ 22,500 for tasers and printers

Emergency Management:

- \$ 28,033 for add a siren for our growing community
- \$ 25,257 for a lighting system for use during emergencies
- \$ 10,000 for an emergency vehicle

Street Department:

- \$135,843 for a new dump truck
- \$ 59,880 for a skid steer
- \$ 32,156 for a brush hog and an anti-icer device
- \$ 40,000 for building improvements and fencing expenses
- \$500,000 for the City's portion of the East 4<sup>th</sup> Street expansion
- \$200,000 reserve for right of way purchases
- \$ 50,000 for wayfinding signage

Parks and Recreation:

- \$200,000 to resurface the pool
- \$ 60,000 for Anthis Park walkway and basketball court
- \$ 27,000 for Brookside improvements
- \$ 22,000 for Norris Park improvements
- \$ 50,000 for Phoenix Park and Anthis Park ballfields
- \$ 20,000 to pave the parking lot at Southridge Park
- \$ 35,000 for exercise equipment on the trail system
- \$ 49,200 for equipment including a mule, tractor attachments, cart barn, golf carts, dump trailer
- \$ 35,000 for signage and reserve for facilities

Trail and Property Development:

- \$150,000 for trails, paths, and lanes
  - \$ 30,000 for Mission Park development
- \$180,000 for bridges to Goingsnake from Norris Park and from the Sr. Center to Kaufman Park and the current trail

Information Technology

- \$ 28,570 for a transit van
- \$ 55,500 for fiber and equipment upgrades

Other General Fund

- \$ 11,749 for a mower at the cemetery
- \$150,000 to upgrade the airport fuel tank
- \$ 40,000 for repairs to Sr. Citizen's Center and the Library

In addition to these projects within the General Fund, the Street and Alley Fund will provide \$487,000 in asphalt and other supplies toward road maintenance. The Street and Sidewalk designated sales tax will provide \$3,002,000 toward major street and sidewalk improvement projects.

Other capital projects outside the General Fund include:

- \$631,092 within the Solid Waste department for equipment, fencing and dumpsters.
- Stormwater Management's budget includes \$240,000 for property and right of way purchases.
- The Tahlequah Dog Park donation fund has \$50,000 for further enhancement of that park.
- Tahlequah's Project STRONG grant has \$355,000 to assist those impacted by COVID with food and utility expenses.
- Donors have provided \$150,000 in funds restricted to building trails and sidewalks.
- The American Rescue Fund is carrying forward \$1,611,388 from the current year and anticipates receipt of an additional \$1,350,000, which will be allocated by the City Council for projects still to be identified.

**Conclusion:**

The City is in a strong financial position. With continued steady growth in our sales taxes, our General Fund expenses are supported with our revenue. We have been blessed with grants and other non-recurring sources of revenue that will allow us to accomplish much in the coming year. With continued growth in our population, our needs for additional safety personnel and infrastructure will also expand. Ultimately, a source of reoccurring revenue other than sales tax may be needed to support our Law Enforcement and Fire departments more completely.
